

WRIST (Western Regional Information Systems & Technology, Inc)

WRIST is an online multiple listing service (MLS) which includes the counties of Auglaize, Champaign, Clark, Logan, Mercer, Miami and Shelby counties. The purpose of the MLS is to guarantee compensation and cooperation between REALTOR members when completing the sale of property.

The WRIST MLS is owned by two local trade Associations (Midwestern Ohio Association of REALTORS (72.6%) and the Springfield Board of REALTORS (27.4%). At its inception, each of the boards provided “seed” money to get the MLS up and running. Each shareholder board receives an annual dividend check from WRIST based on the profitability of the MLS.

The MLS is governed by a Board of Directors elected by the local Associations. MOAR elects 9 directors and Springfield elects 3 directors. Each director’s term is 3 years.
